

NATIONAL GUARD NEWS.

Corporal Harry Sullivan of company A was discharged yesterday on account of being unable to attend to drills.

Owing to the review and parade held last Monday night, no other drill was held by any of the organizations in this city last week.

The following enlistments were recorded in company F last week: Gormham Madsen and Oscar Fredrickson.

The members of company A desire to have an error rectified, regarding their turnout last Monday night at the review on Capitol hill, there being present and in ranks two officers and twenty-three enlisted men, exclusive of

two musicians, who were with the band, instead of twenty, as stated by the morning papers.

Company B received one recruit last week, in the person of W. B. Harris, formerly a member of battery C, Third United States artillery, and also of the Illinois volunteer infantry.

Company B will be the first company to avail itself of target practice this season by commencing a week from today. It is also expected that company A will commence on that date.

Private Samuel C. Neilson of company B has made application for his discharge, as he is unable to attend drill.

Private R. G. Patterson of company A left the state last week for Boston.

Mass, his old home, where he will reside in the future.

An examination for corporals will be held by company B a week from Wednesday night. Immediately after inspection, Corporal Jensen will be promoted to sergeant, and this will be the vacancy to fill.

The proposed examination for corporals in company A will be held next Thursday night at the armory, and all parties are invited to participate.

Quartermaster Sergeant Adolph Lund of company B has received a two months' furlough, for the purpose of visiting his wife's relatives in Morgan.

The regular semi-monthly battalion

drill will be held next Wednesday evening at the armory at 8 o'clock p. m. sharp; assembly at 8:15 p. m.

Musician C. Swenson of company A will leave tomorrow night for Omaha, Neb., where he will reside in the future.

Company B will have an inspection one week from Wednesday next in heavy marching order; also of all property in their possession.

The signal corps will lose another of its members in a short while, in the person of Sergeant L. Comp, who recently passed a successful examination for admission to West Point.

Once more interest has centered in Private John Hilditch, formerly a member of company E at Bountiful,

who was lost last January in the mountains adjacent to that place. A saddle and bridle were found which have been identified as his but all hopes of recovering his body have been given up, as it is supposed that it has been devoured by animals.

Captain O. H. Hanning of company B is very indignant over the article which was printed in a daily paper, which gave as an excuse for his non-attendance at the examination for a commission that some officer held a copy of the questions, which he declares as scandalous and a falsehood. His reason was that he was unable to be present on account of his work.
